# FRANCHISING

## What is the Franchise Agreement?

Its an arrangement where one party (the franchiser) grants another party (the franchisee) the right to use its trademark as well as certain business systems and processes to market the goods and services according to certain specifications.

The franchisee will gains:

- (1) Immediate name recognition,
- (2) Tried and tested products,
- (3) Standard design and decor,
- (4) Detailed techniques in running and promoting the business,
- (5) Training of employees
- (6) Ongoing help in promoting and upgrading of the products.

In additional to above PETROL ONE has created a new Franchising concept with full resource of supporting chain.

Starting from manufacturing to last step as a LUBE sale point station ( AS WHEREVER YOU ARE) to guarantee NO one can compete with your business, if you are interested Please fill up the application

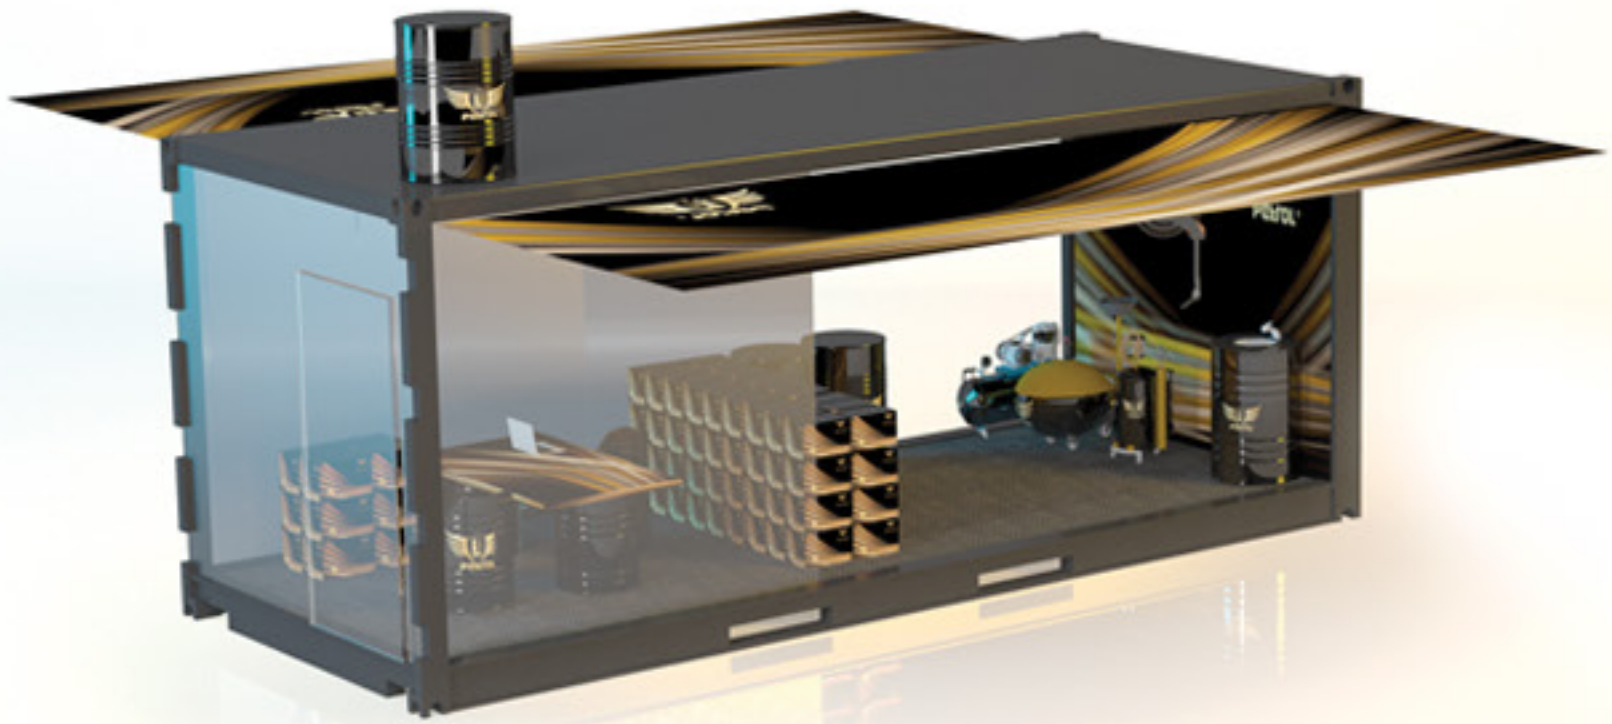

- Low Capital.
- High Income.
- Short return investment.
- High and International brand.
- Luxury image.
- Flexible movement.

To apply as a franchisor or franchisee please fill up the application form at
